ORIGINAL

MAYES PROPOSED AMENDMENT # 1

DATE PREPARED: August 24, 2009

COMPANY: Arizona Public Service Company

AGENDA ITEM NO. U-23

DOCKET NO. E-01345A-08-0614

OPEN MEETING DATE: August 25-26 2009

Page 6, line 4 INSERT New Finding of Fact:

“ Additional Commission Findings:

We believe that APS' Green Power Percent Schedule for the GPS-2 rate contains too few tiers to make it attractive to the broadest array of possible customers, and should be expanded to include at least two additional tiers at the 10 and 20 percent level for residential customers. This would allow customers with more limited means to purchase green power, and would likely boost the overall participation in green power rates. Therefore, we will direct APS to file, as a Supplement to its 2010 RES Implementation Plan, a GPS-2 rate that includes two additional tiers at the 10 and 20 percent levels, for Staff's review and Commission consideration.”

Page 7, line 4: INSERT New Ordering Paragraph:

“IT IS FURTHER ORDERED that APS shall file, by September 30, 2009, as a Supplement to its 2010 RES Implementation Plan, a GPS-2 rate that includes two additional tiers at the 10 and 20 percent levels, for Staff's review and Commission consideration.”

Make all conforming changes.
